ISPE at Universities in China

- **ISPE in BUCM in December 2009**

Sanofi-Aventis group visited Beijing University of Chinese Medicine (BUCM) on Tuesday, 1 December. During the visit, industry experts from Sanofi-Aventis introduced some overall information about the global pharmaceutical industry and career development within it. Moreover, internship requirements and expectations for BUCM were highlighted during their visit. Student representatives and teachers had a face-to-face meeting with experts from Sanofi - Aventis, and both felt this visit was very successful.

- **ISPE at Nankai University in October 2009**

On the occasion of the 90-year anniversary of Nankai University, ISPE Greater China SC members, Jason Tang (Chairman of ISPE China), Leslie Chang (GSK Tianjin), and Qi Ying (NNE Pharmaplan) were invited by NKUCP to participate in the "University Education, Professional Education and Biomedical & Pharmaceutical Industry" Round Table Summit on 16 October, 2009.

Jason Tang conducted a speech on "Professional Education for Biomedical and Pharmaceutical Industry". Senior management representatives from Tianjin Zhongxin Pharmaceutical, Tianjin Jinyao Pharmaceutical, Novartis Biopharmaceutical Research, GlaxoSmithKline Tianjin and Novo Nordisk Beijing were also there for an inspiring and innovative question and answer session.

- **ISPE donated a whole set of Technical guidelines to Sichuan University student chapter in July 2009**

On Sep 7th 2009, Alan Macneice (vice President of ISPE International Board) visited Sichuan University of ISPE Student Chapter together with Jason Tang, Chairman of ISPE Greater China Steering Committee (SC) and Jonathan (SC member) .

Alan Macneice delivered a fantastic speech about the impact single-use technology on biopharmaceutical facilities while Jason Tang lectured the students with the topic "how ISPE support the career development of the student members".

After that, Alan in representative of ISPE, International Society of Pharmaceutical Engineering, donated a whole set of ISPE Technical guidelines to the student chapter, which is equal to value of \$5000.
